

## Legal Notice

Roundabout Travel will, by proper web page design, try to ensure that the data on this web page is punctual and up-to-date, but does not take any responsibility for the punctuality of these data. All users use these data at their own risk. Roundabout Travel or any other legal person or a private individual, who participated at the developing and designing of this page, are not liable for possible damages, which could stem from using information on this page or any mistakes and defectiveness in its content.

All information and pictures on Roundabout DMC web pages are, according to law, subject to the author's protection or some other protection of intellectual property. Documents from these web pages may only be reproduced for non-commercial purposes, and must preserve all warnings about the author's or other rights and cannot be copied, duplicated, or in any way distributed for commercial use.

Brand names and trademarks, used on these pages, are registered trademarks of Roundabout Travel, or is the company's right to use them. Roundabout Travel reserves the right to change the contents of these pages at any time, in any way, without a special reason and without previous notice. It does not take any responsibility for consequences that can come as a result of these changes.

## Privacy protection

Roundabout Travel protects all visitors' data according to the Personal Data Protection Law and other Slovene and European legislation. By sending his/her personal data using the informative or reservation form, the visitor agrees that his/her data will be used by Roundabout Travel for its internal statistical and data processing use. The company binds itself not to share personal data to other private individuals or legal persons for commercial uses.

Our web pages offer two ways of making a reservation for our capacities.

One option is by e-mail: you send the inquiry and we send you our offer. The offer can be confirmed by following Terms and conditions sent via e-mail.

You can also make a reservation and pay directly online by credit card: in this case, the reservation will be confirmed and paid for the moment you make the final confirmation in the payment procedure. We guarantee the exact accommodation as you ordered it.

## Data use

Roundabout Travel protect all guests' data according to the Personal Data Protection Law. It counts that the guest, by accepting the offer, agrees with using his/her data for our statistical purposes and informing our clients of our offers. If the guest does not wish to share his/her data for the above stated purposes, he/she can state that when contacting us.

## Final determinations

VAT is included in all prices of the Roundabout Travel offer. Court of jurisdiction in Ljubljana is competent for all kinds of disputes between clients.

### Cookie regulations

In order to optimize the web page in terms of system performance, practicability and provision of useful information about the services, Roundabout Travel automatically collects and stores information in log files on the user's computer. These include the user's Internet Protocol (IP) address, data on the browser type and language settings, the operating system, Internet Service Provider (ISP), and date/time of the visit.

Roundabout Travel uses these data to effectively manage the web pages in order to find out more about the behaviour of customers across the web pages, to analyse trends, and to collect comprehensive demographic information about the users. The collected data can be used for marketing and advertising purposes, as well as for communication (e.g. the optimization and enhancement of the user experience to guarantee more attractive offers and services).

In the event of the usage of data which are not personal data, together with personal information, such data are treated as personal data as long as they are used collectively.

Also for the information gathered from cookies and other comparable techniques the Declaration on the Protection of Personal data from these Terms and Conditions applies.

### What is »cookie«?

Web pages, e-mails, web services, advertising and interactive applications can use the so-called cookies (hereinafter: "cookies") for the optimization of services.

A cookie is a small file usually containing a sequence of letters and numbers that is loaded into the user's terminal equipment (computer, mobile device, etc.; in these Terms and Conditions generally referred to as: "computer") when visiting the Roundabout Travel DMC website (Roundabout Travel sends the cookie file to the user's computer hard drive). For example, Roundabout Travel website can then use them to identify the user's devices when the connection between the web server and the web browser is established. The main purpose of the cookie is to enable the web server to provide the user with customized web pages allowing for a more personal experience during experiencing Roundabout Travel tours. website and better response capabilities to individual user's requirements. Cookies allow Roundabout Travel to obtain more information about how users use their web site, and also as a means of improving the user's experience during their visit to a certain web page.
